

MARCH

“Summer of ‘69” by Bryan Adams (Irene Sagalovsky)

We are the 1990's
Here to tell you that we are the best
Gonna win this Olympics
Because we know we will beat the rest

(CHORUS)

In the Millennium Bowl
The 90's will take first place
Having fun through it all
This decade will win the race
These are the best days of our lives

Cheering all through the camp
With lots of spirit and sportsmanship
Everyday we only get louder
Over 2nd we have to skip

CHORUS

Swimming and running and dancing
With a smile always on our face
We're gonna take control now
WE'RE GONNA ROCK THIS PLACE!

CHORUS

Here in the summer of '99
90's
We love the summer of '99
90's!
