

“Man on the Moon” by REM
written by Brandon Rubenstein

We were all campers when we fell in love ---- with GSC
Our counselors helped us rise above--- reality
We missed them much at the start of each fall ---- yea yea yea yea
And when our heroes left we stepped into that role ---- yea yea yea yea
So many nights spent out on the porch ---- yea yea yea yea
Now it's our turn to pass the torch ---- yea yea yea yea

Amanda, pay attention to this one
Listen to the words that we say
Slipper spirit will exist for ever because it
'Cuz it starts in A

[CHORUS]

And if you believe, they put a man on the moon (man on the moon)
It's because you believe in everything that we do (all that we do)

Reed was the one who joined us last ---- in 94
You picked up our spirit and you picked it up fast ---- and so much more
You're gone to law school to get above ---- yea yea yea yea
We wish you luck and lots of love ---- yea yea yea yea

Aaron, yes we listened to your speech
You turned your life around right here
And now you do the same for your campers because you
'Cuz you care each year
CHORUS

Sean is one of the two others ---- yea yea yea yea
You're not just a friend, you're more like a brother ---- yea yea yea yea
Over the years we've been through a lot ---- yea yea yea yea
Tint on your windows can get y'all shot ---- yea yea yea yea

Mer, are you listening to this one
Don't you think I could leave out you
You've quietly made your impact , your heart bleeds
Bleeds gold and blue
CHORUS
