

**“Lifestyles of the Rich and the Famous” by Good Charlotte
written by Brandon Rubenstein and Chad Deitch**

So you see us on TV
And in a couple of movies
Angels on every magazine
Lucy, Cameron, my girl Drew
Bill Murray and Bernie, too
And we can't forget about Farrah's 'do...Farrah's do-oo-oo-oo

[CHORUS]

We're Angels, and we're working for Charlie
And we're not sorry for all this grinning
We're Angels, and we're working for Charlie
And we're not sorry for all this winning

Natalie's the goofy chick
Alex, she loves to kick
And Dylan's stunts (clap) they make us sick
We're updated from our show
Retired old halo's
But we kept our (clap) trademark pose...trademark po-oh-oh-oh-se

[CHORUS]

We're Angels and we're working for Charlie
