

## **ALMA MATER**

### **“Under the Sea” from The Little Mermaid (Holly Warshauer)**

The summer is always brighter  
When we're with our friends so dear  
Don't think about going elsewhere  
Cuz we're already here  
Just look at this place around us  
Right here in the Poconos  
And if you want to write us  
Zip Code 18360

#### **CHORUS**

[Summer of fun  
Summer of fun  
We've got the spirit  
And you can hear it  
Slipper's the one  
The memories will always last  
While all the campers have a blast  
Two thousand fivin' Slipper is thrivin'  
Summer of fun]

Up here everyone is happy  
Doing the activities  
The bunks they are always cheering  
As a Slipper family  
And then when the summer's over  
No need to be too upset  
Just think of this place in winter  
And know that you won't forget  
SLIPPER

#### **[CHORUS]**

The Tom's are the bomb  
Maureen is the queen  
With Jake at the lake  
Brando joins the team  
And Steve is great  
VL's are top rate  
And we are the heart and soul
