

## **GRYFFINDOR MARCH**

*"The Middle" by Jimmy Eat World*

*Songwriter: Jarad Benn*

Hey, We're up on stage today  
To show you where the best magic's at  
In all the world.  
We've tried our best  
With every spell we knew  
With Harry at our side tonight  
You know it's true.

**[CHORUS]**

**The Harry Potter Bowl,  
Little magic's all we need to take control  
Butterbeer, butterbeer it tastes so good  
Gryffindor, Gryffindor we knew we could, we could**  
**[END CHORUS]**

Hey then there's Hufflepuff  
You know your magics not enough  
to win this fight.

Ravenclaw, We know you'll take the fall  
It doesn't matter if you're smart enough  
For someone else.

**CHORUS**

Hey the house called Slytherin  
Without your evil and your scaly skin  
You cannot win.

That leaves one more  
Called Gryffindor!  
The smartest and the bravest house.  
Now hear us ROAR!

**CHORUS 2X**
