

THE INCREDIBLE HULK MARCH

“Fight For Your Right” by Beastie Boys (Jarad Silverstein)

All hail the Hulks, go run in fear
Duh duh duh duh , Duh duh duh duh
Might as well accept we're gonna win this year
Puny Superheroes don't stand a chance
Back yo'self up while we do our dance

(CHORUS)

You'll try to fight
Not tonight
You weaklings

Superman tried to fly but the fight was on the ground
We grabbed him by the ankles and we spun his self around
Wonder Woman pouted when we ganked her crown
You're not mad at us, PMS has got you down
CHORUS

Oh look here's Spidey with his sickly webs
You're just a mutated Daddy Long Legs
Hulk's got the toxins that'll make you choke
Us not win? HA- Bad joke!
CHORUS
