

## **SPIDER-MAN ALMA MATER**

### **“You’ve Got a Friend” by James Taylor (Brandon Rubenstein)**

When we’re home and thinking about Slipper Camp  
Nothing, oh nothing can bring us down  
We check the date and countdown  
How soon ‘til we are there  
Which brightens up even the darkest night

We just think of Uncle Mike  
He’s doing his lunchtime news  
And Aunt Ilisa is expecting our little prince  
Uncle Thom is moving this fall  
We’ll miss you when we’re up at the pool  
But you’re always a part of  
Our Family

Aunt Kelly...and Irene...the newest VLS at camp  
Are always there to lend us a helping hand  
We’ve grown together  
Which makes us oh so proud now  
Because we all love you like family

We just think of Aunt Maureen  
And we know that Uncle Thom  
And her are lucky to be in love and share it with us  
Uncle Scott’s a big teddy bear  
And Uncle Ronnie gives us a scare  
But you’re always a part of  
Our Family  
Ain’t it good to know we have each other  
Our Family
