

SUPERMAN MARCH

“Come on Over” by Christina Aguilera (Reed Lyons)

Superhero, Superhero Bowl
Superhero, Superhero Bowl

Hey Slipper, don't you know
Superman is here tonight
Clark Kent has been transformed
Now were ready for this fight

We know Hulk knows we're gonna take this bowl
He's rude, he's crude, he's got an attitude
So ugly, it's a shame Superman has got your game
We're flying high

(CHORUS)

All you'll see is blue
When your scared and pasty
All you'll see is blue
We'll bring you to safety
All you'll see is blue
So you should sacrifice
Your fears to us tonight
And when the time is right
All you'll see is blue
Superhero, Superhero Bowl
Superhero, Superhero Bowl

Hey Spiders watch your step, you'll get tangled in your net
Eight legs are way to much, crawling is your only bet
Wonder Woman, you'd better cut the chase
Wearing high heels, you will not win this race
So take your golden whip, you better slap yourself in shape
We're flying high

CHORUS

Superhero, Superhero Bowl
Superhero, Superhero Bowl
Superhero, Superhero Bowl
Superhero, Superhero Bowl- SUPERMAN!!!
