

VALENTINE'S DAY ALMA MATER

**“All For You” by Sister Hazel
(Julie Warshauer)**

The sun is shining down
And we know its summer time
We're here at Slipper Camp
Having a good time

CHORUS

[And through the year (GIRLS)
We want to be (BOYS)
Right back here (GIRLS)
As you can see (BOYS)
Slipper's always on our minds
We know that its love that brings us back each year
To this place that we'll always hold dear
Words can't say but they'll have to do
To show our pride for gold and blue]

We think we've done it all
But there's always more to do
And sometimes there is a change
But the spirit remains true
[CHORUS]

We are hand in hand
Singing Friends and Taps
We've made life-long friends
And memories that last
[CHORUS “We know that it's love...”]
